17:15	18:15	RPD SIG Update

Saturday 10th May

Morning

XXYOG	07:00	07:30	Easy Morning Yoga Session
SEM03	08:45	11:45	How Mindfulness Can Improve Your Medical Writing (and Your Life!)
EPDP Workshops			
MDF2	08:45	12:15	Going from Pharma to Medical Devices
MSF13	08:45	12:15	Cell Signalling and its Importance for Drug Development
PTA11	08:45	12:15	Strategies for Improving Document Quality
PTF21	08:45	11:45	Health-related Quality of Life
PTF25a	08:45	12:15	What Medical Writers Need to Know About Patient Registries
DDA1a	08:45	12:15	Writing Global Submission Dossiers using the Common Technical Document
MSF12	08:45	12:15	Bacterial Infections: A Guide for Regulatory Writers

WPDP workshop programme codes

DDF	Drug development - foundation
DDA	Drug development - advanced
LWF	Language and writing - foundation
LWA	Language and writing - advanced
MCF	Medical communications - foundation
MCA	Medical communications - advanced
MDF	Medical devices - foundation
MDA	Medical devices - advanced
MSF	Medical science - foundation
PTF	Professional techniques - foundation
PTA	Professional techniques - advanced

If you attend EPDP workshops and successfully complete the assignments before and after the workshop, you can gain EPDP credits. Credits can be accumulated towards an EMWA certificate, which shows your commitment to learning and professional development. For more details about obtaining credits for workshops and gaining EMWA certificates, see the EPDP Brochure.
